FEATURES OF THE EXHIBIT HALL

Manufacturer’s Showcase

Dental manufacturers will be providing product demonstrations, in-depth information, and interactive displays within their exhibit booths. More manufacturers also mean more variety in products and equipment on the show floor, which makes your comparison shopping even more successful.

DEA EDUCATION

The U.S. Drug Enforcement Administration (DEA) is requiring DEA-registered practitioners to complete 8 hours of training on treatment and management of patients with opioid or other substance use disorders.

As a convenient option for dentists only, the ODA will present an 8-hour course before the official start of Annual Session that meets both the DEA opioid training requirement and the Ohio State Dental Board's (OSDB) mandatory opioid CE requirement for dentist and hygienist license renewal.

Course Code W10

MANAGEMENT OF ACUTE DENTAL PAIN AND APPROPRIATE OPIOID PRESCRIBING RC
