Preventative Products Roundtable Breakfast for Dental Hygienists

Friday, September 22, 2023

7:15 a.m. - 8:45 a.m.

Confirmed exhibitors are invited to participate in the **Preventative Product Roundtable Breakfast for Dental Hygienists** at the ODA Annual Session!

This popular program is designed to give hygienists an up-close introduction to some of the latest preventative products in a personal, interactive environment while they enjoy breakfast.

Program Overview

Groups of attendees are seated for a plated meal in **six groups** (up to **15 people** in each group) with a company representative presenting to each group. Each company rep. will present for **12-15 minutes**, including time for Q&A, moving to the next table when time is called.

Hygienists attending the entire event will be eligible to receive 1.5 hours of CE credit.

Representatives will repeat their presentation up to 6 times, moving to each table, until the conclusion of the event. Extensive display materials are discouraged.

**No A/V or electricity will be provided.*

Presentations are limited to the first **SIX** eligible companies as determined by the ODA Annual Session Committee, so act now to reserve your spot!
