2023 ODA Annual Session Exhibitor Show Specials

Attract attendees to your booth by promoting special offers and discounts!

As a FREE value-added benefit to exhibitors, a list of **Exhibitor Show Specials** will be posted online for easy viewing and downloading by attendees at www.oda.org.

Specials may be **text only** – no photos or graphics will be included – and are limited to **450 characters**. Submissions may be edited for space. **Company name & booth numbers will automatically be listed** and are not included in the character count.

Consider adding show specials to your online company profile, too!

Please submit your show specials by **September 15**. They will also be included on the Annual Session mobile app for easy access during the meeting.

If you would like to submit a show special that will be valid only for the “Hops & Shops” event on Thursday (4:30 pm-6:00pm) in the Exhibit Hall, please indicate that below. You may submit a separate listing for specials good throughout the duration of the meeting if appropriate.

Submit your specials to Amy Szmania, Exhibit Hall Manager, at amy@oda.org, or list below.
