2026 ODA Annual Session Exhibitor Show Specials

Attract attendees to your booth by promoting special offers and discounts!

As a FREE value-added benefit to exhibitors, a list of **Exhibitor Show Specials** will be available online and on the official Annual Session Mobile App!

Specials must be **text only** – no photos or graphics will be included – and are limited to **450 characters**. Company names & booth numbers will automatically be added and are not included in the character count. Submissions may be edited for space.

Consider adding show specials to your online company profile, too!

Submit your show specials by September 10 for inclusion in the Annual Session Mobile App.

If you would like to submit a show special that will be valid only for the “**Hops & Shops**” event on Thursday in the Exhibit Hall (4:30 pm-6:00pm), please indicate below. You may submit a separate listing for specials valid throughout the duration of the meeting if you choose.

Submit your specials to Amy Szmania, Exhibit Hall Manager, at amy@oda.org, or list below.
