

Give Kids A Smile is one of the ODA's biggest access to care and oral health education efforts in Ohio, but not every event is a large-scale effort! Whether you're helping five kids receive free dental care or educating 500 kids about oral health, no event is too small and everyone's efforts combined make a big impact on Ohio!

You choose...

The scope of the event and how many kids you want to see for:

- 🦷 Education only
- 🦷 Dental screenings
- 🦷 Preventative care
- 🦷 Restorative care
- 🦷 Donated follow-up care

The date that works for you:

- 🦷 The national kickoff is always the first friday in February, but you can hold a GKAS event any day you want!

Your venue and partners:

- 🦷 Open up your office to the public for a GKAS day
- 🦷 Partner with a local school, Head Start or social service agency such as a Boys and Girls Club
- 🦷 Work with a local dental assisting or hygiene school with multiple dentists

Whatever you choose to do, make the choice to Give Kids A Smile!

Benefits of registering your GKAS activities:

- 🦷 ODA staff to help you plan and promote your event
 - 🦷 Free products from the ADA - like dental supplies for cleanings, fluoride and sealants and toothbrushes and toothpaste to give away at your event if you register from 10/1 to 11/15
 - 🦷 Dentists and hygienists who provide care can qualify for one CE credit for every one hour of volunteer care provided, up to 1/3 of the total hours required per biennium
 - 🦷 Your activities will be counted in state totals used in ODA advocacy efforts
- Are you or your staff already providing oral health education or free care to children?
Register these activities now to receive the benefits listed above.
