In the OPTIONS program, the names of participating dentists are not shared with the general public. To recognize providers for their generosity toward the community, the ODA prints the list of providers annually in the ODA Today, available to ODA members.

An OPTIONS Referral Coordinator determines patient eligibility for discounted fees or donated care. The referral coordinator will not make a referral before contacting the dentist to confirm willingness to see the patient and will maintain contact with the patient and the dentist's office during treatment. The dentist can decline a referral for any reason.

If a patient fails to show up for an appointment, the dentist may choose to not see the patient, but if the patient misses two appointments, the patient will automatically be dismissed from the OPTIONS program.

The ODA and other OPTIONS sponsoring organizations are not responsible for any claims against a participating dentist arising from his/her treatment of patients under the OPTIONS Program, nor are they responsible for any difference between the fee that a participating dentist normally charges and the fee actually paid by an OPTIONS patient.

A participating dentist may withdraw from the Dental OPTIONS program by contacting the ODA or the referral coordinator in writing.

I understand the Dental OPTIONS program and will provide dental care to Dental OPTIONS patients.
